

What's next?

**Your input today
will help us:**

**Verify that we will be moving forward
with the most appropriate set of
strategies for our region**

–

**Elaborate on these strategies by
adding, subtracting and refining
specific components**

**What you can expect from
us in the coming months:**

**Your ideas and input
reflected in our work**

–

**Results of our analysis of these
strategies and a limited number of
specific viable options for each**

–

**Additional opportunities for
you to provide input**
