

# What should the solution for I-81 accomplish?

The first step in identifying what should ultimately happen with I-81 is determining what is important for us as a region and the role we want I-81 to play in our future.

In the many conversations we have had with communities, elected officials, and other stakeholders, certain key goals have emerged.

## The study goals that we have heard so far include:

- Improve public safety
- Enhance the transportation network
- Enhance region-wide mobility
- Maintain or improve economic opportunities
- Support community quality of life
- Preserve or enhance environmental health
- Exercise fiscal responsibility
- Share the burdens and benefits of any solution equitably
